**Additional Comments:** 

**Parking:** Dawn will need a loading or parking permit for the day that she will appear at your venue (if applicable).

**Assistance:** When needed, please have one person on hand to facilitate the load-in, performance and load-out.

**Sound & Lights:** Professional sound and lighting adds a lot to the show and your best effort in that area will certainly pay off. If you cannot provide sound, Dawn can provide a small system if needed (this must be discussed in advance). For venues with sound systems:

- Sound requirements for solo shows: Two vocal mics with boom stands, one grounded power outlet within 20 feet of the stage, one direct input for an acoustic guitar, one direct input for a keyboard (if you are not providing a piano).
- Sound requirements for full band shows: In addition to the above, one
  instrument mic or input for an upright bass amp, 2-6 instrument mics for a jazz
  drum kit (for larger venues only), possibly one instrument mic for an erhu
  (Chinese violin).

 Piano requirements: Either a piano that has been recently tuned or a fullyweighted, 88-key keyboard with good piano sounds.

**Venue & Merchandise:** The venue and/or stage area should be non-smoking. Distractions such as pool tables, ping-pong tables or TVs mean that you're not getting your money's worth out of the performance, so avoid them if at all possible. In addition, a 4'-8' table or other surface for selling CDs should be provided and positioned in a well-trafficked area with a wall behind it.

**Contact:** Publicity, interviews, etc. can be directed to dawn@dawnxianamoon.com or 708.462.2481.

**Websites:** DawnXianaMoon.com, facebook.com/dawnmusic, twitter.com/dawnxianamoon

The Venue has full permission to record (audio and visual) the performance for publicity purposes. However, no sale of the recording(s) are allowed without the Artist's written permission.

If the event is canceled by the Venue more than 4 weeks prior, then the Venue agrees to pay half of the amount stated above. If the event is canceled by the Venue within 4 weeks, then the Venue agrees to pay the full amount.
